STAND BUILD UP

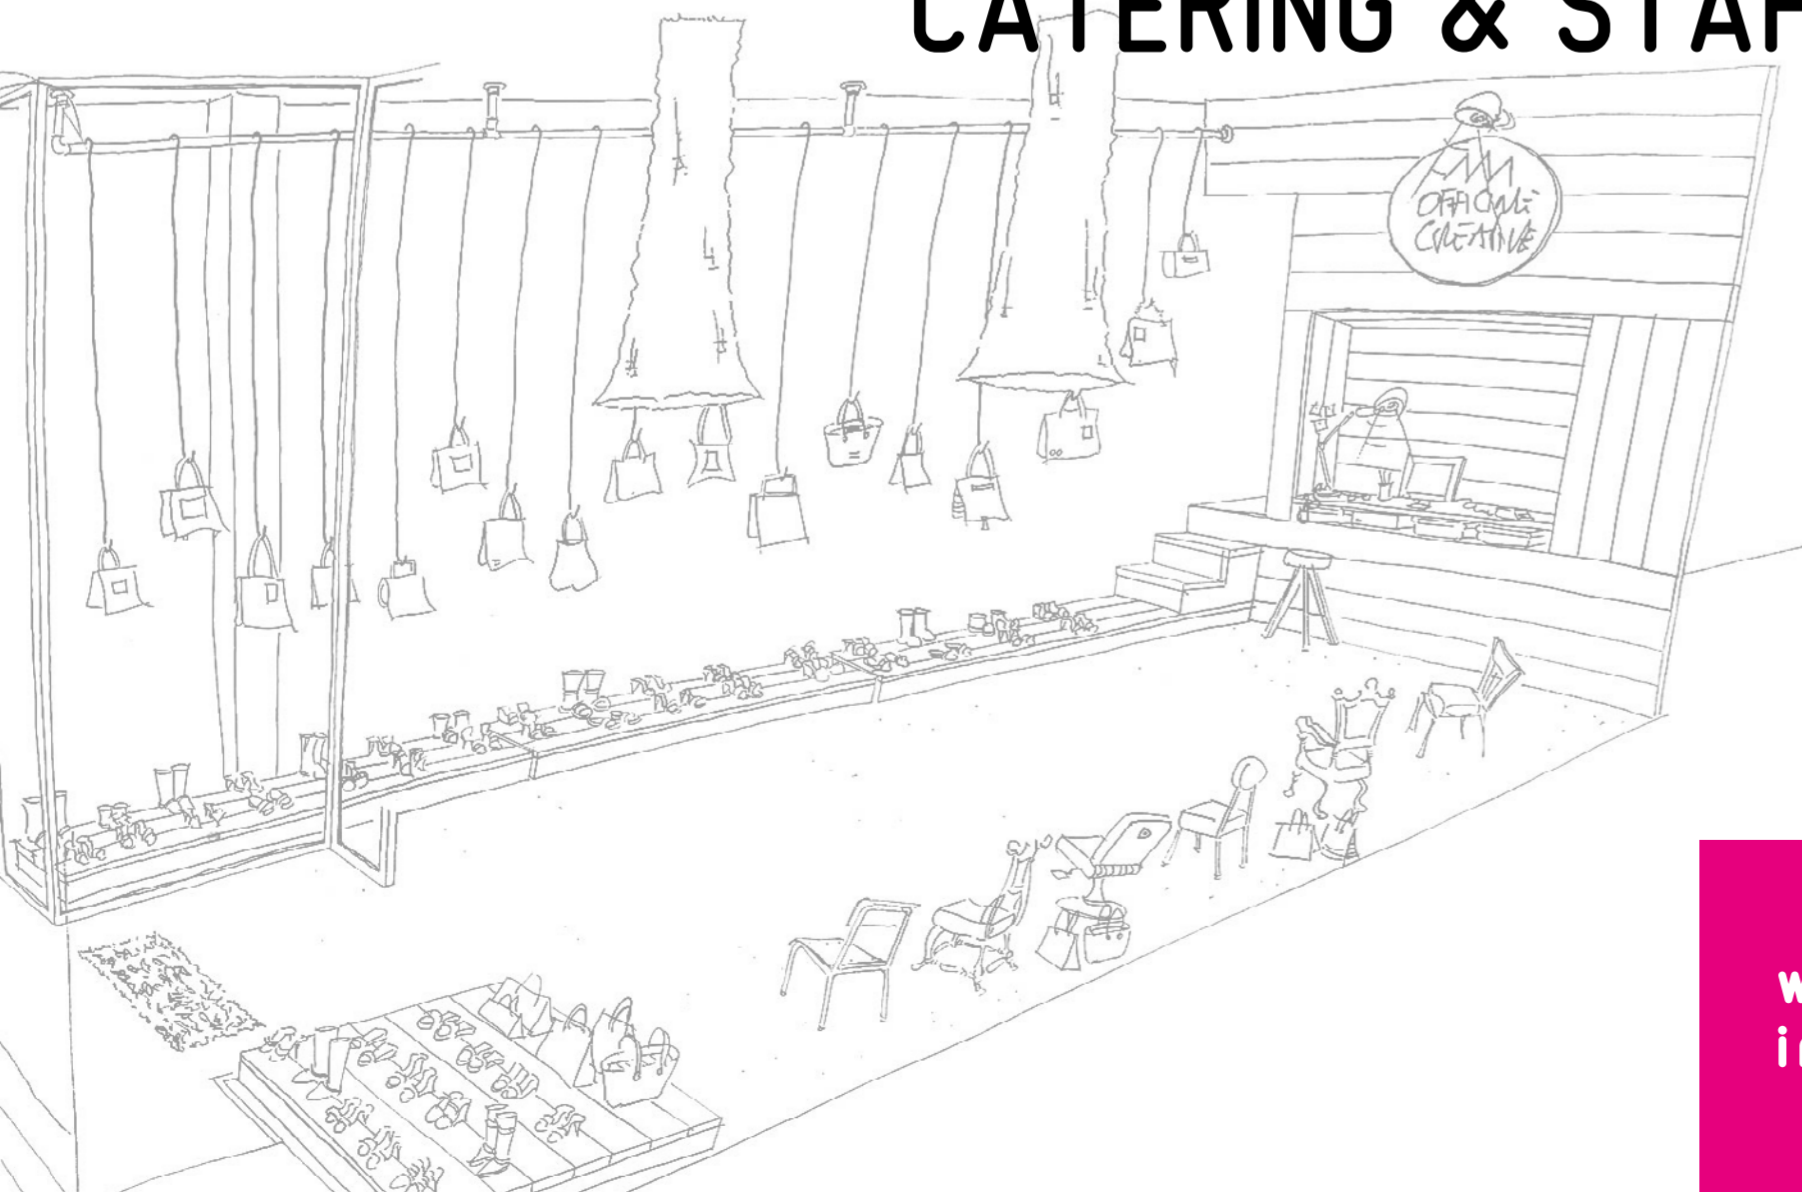

OUR SKILLS:

MARKETING ABOVE ALL

STAND BUILD UP ■

EVENTS ORGANISATION ■

CATERING & STAFF ■

Our team will take care of the entire organisation of your participation, starting from the study of the exhibition project leading to the production and the assembly of the stand in every part of Europe.

One of our project managers will be present in each exhibition to ensure maximum accuracy in all details giving to the customer a **Turnkey Solution**, Made in Italy.

For events in Asia, Middle East, Africa and USA, our consolidated partnership with local producer and the onsite presence of our project manager, allows us to provide to the customer an excellent result **all over the world**.

Simplify your work by entrusting us with for the whole organisation of your participation.

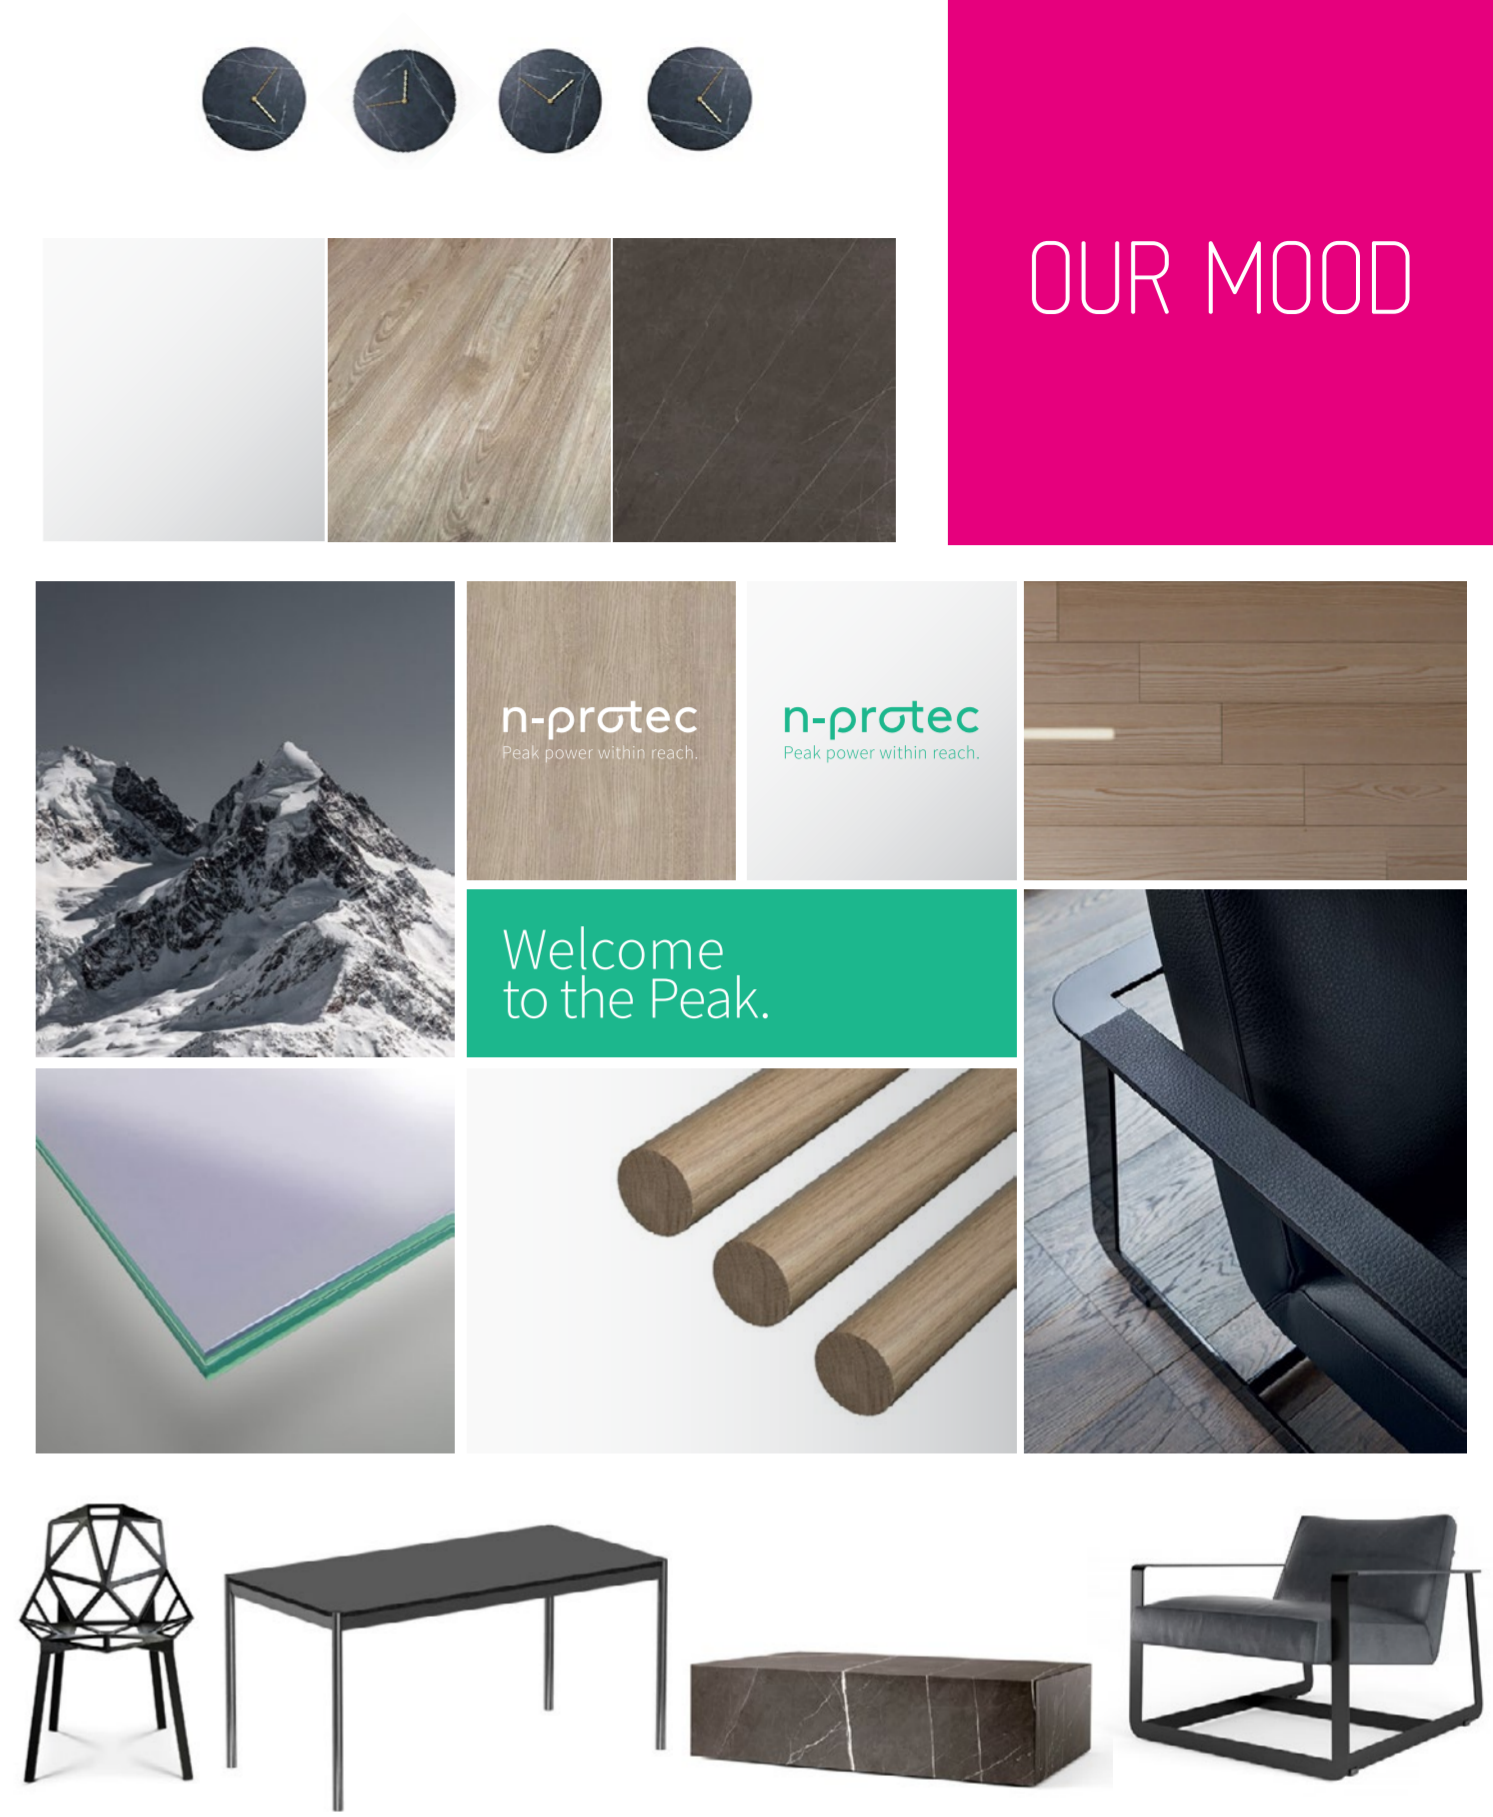

We will take care for you of all documentary duties, orders (electrical and water connections etc., cleaning, requests for hangings, handling fee ...), the monitoring of all deadlines and the supply of rental materials (audio video materials, LCD, Videowall, coffee machines, refrigerators, kitchen equipment, displays, plants and flowers etc).

With us, organizing your participation in a trade fair has never been easier!
